Our Mission

We are the Catholic Center and Campus Ministry at the University of Hawaii, and under the Catholic Diocese of Honolulu, serving parishioners, staff, faculty, and students alike that stimulates critical thinking and dialogue about issues that challenge Christian living and commits to a living faith that practices and promotes justice.

We are a spirit-filled and welcoming community that proclaims and celebrates the Good News through liturgy, the sacraments, faith sharing, outreach, and social action. As the Roman Catholic Community of the University of Hawaii, we offer opportunities for life-long faith development to all who choose to join us. We invite the contribution of gifts in stewardship and evangelism, and challenge one another in the same manner that Jesus challenges us: to love the Lord, your God, with all your heart, with all your soul, and with all your mind and to love your neighbor as yourself. Come journey with us!

Stewardship Prayer

Generous and Loving Creator, you have called us to Malama i ka Makana (Cherish the Gift).

As disciples of your Son, we ask that your Spirit open our minds and hearts to more deeply appreciate your countless blessings. Increase your transforming spirit within us, so as to nurture our call to stewardship as a way of life marked always by faith-filled prayer, service to others and generous giving. With the kokua of St. Marianne and St. Damien, teach us to be good stewards so we may return a hundred-fold the makana entrusted to us.

We pray this through Jesus Christ our Lord. Amen

From the desk of the Pastor

There used to be this old movie line when the king would say, "It's good to be the King.' The king in the movie, would say it throughout the movie anytime he did something inappropriate or wrong. Emphasizing, the king's power and authority. Basically, saying he can do whatever, he wants because there is no one higher or more powerful. For a king is an absolute monarch because he holds unrestricted governmental power and exercises full sovereignty over a nation and its people.

However, there are not many Kings in the world today. Especially absolute monarchies, because after a while, the people begin to dislike the royalty. Usually, because the monarchy begins to only worry about itself and not its people. Thus, causing the public to distrust anyone with such infinite power.

Americans especially dislike Kings. If we look back in history, Americans came to despise King George III because of a series of British policies and political disputes, we didn't like and till this day if you mention that anyone wants to be or acts like a king, people will get angry and revolt. Quite understandable, because we love our freedom, but Jesus is a different type of King. Yes, Jesus is an absolute monarch and has dominion and power over everything, but there is no self-centeredness, no selfishness. Our King is only about love, where our Lord gives us everything including His life. There is no freedom without our King Jesus, and yes there are rules like in all monarchies, but these rules are for our benefit and not for the benefit of Jesus. I like to say Jesus would never say, "It's good to be the King,' but I believe we should say, "It is good that Jesus is our King.."

On a different note, our building is aging and the roof is leaking in various spots. We called a few different vendors, and nobody wanted to touch the roof. We did find one vendor who has helped us before with other issues. A vendor who has helped in various projects at other parishes as well. The total cost to repair and repaint the building will be $50,000. We ask that if you have the means, that you can be generous to help support this much needed project.

God Bless,

Fr. Kurt Meyer
