35th Anniversary Celebration

Dedication of the Altar and Newman Center

April 2018

Each month during this anniversary year, we would love to hear from you! We all have memories of the Newman Center and the community that brings it to life. Please take some time to share with us your story. Take a few sheets and invite others who might be away this weekend or are at another parish but have ties to Newman to journey with us as we take a walk down memory lane.

1. **Pretend, for a moment, that you have awakened from a five-year sleep, and the spirit of Newman Community is what you always dreamed it would be. What does it look like?**
2. **What is different now? What might you have done to contribute to this renewal?**

Do you know of others who are or have been connected to Newman that we should contact? Let us know who they are and we will be happy to follow up with them. Please leave us their name and contact information. Thank you!

Mahalo for taking the time to share with us your story! Please return this sheet to Christopher Malano. You can also fold it and drop it in the collection basket next week.
