## Annual Newman Taize Prayer For Christian Unity

Each year Christians are reminded of Jesus' prayer for his disciples that "that they may be one so that the world may believe" John 17: 21).

Hearts are touched & Christians come together to celebrate our common faith in Jesus Christ & to pray for understanding & for Church unity.

This year's Week of Prayer for Christian Unity will be celebrated between January 18-25. This year's theme is "Justice, & only justice you shall pursue..." is inspired by Deuteronomy 16:18-20.

Bishop Larry Silva has invited Hawaii Christian church leaders & members of their communities to join him to celebrate the 2019 Week of Prayer by attending the Taize Ecumenical Prayer around the Cross service on Friday, January 18 at 7:00 pm at the Newman Center.

Recognizing that Christ extended His friendship to all, without rejecting anyone, Taize prayer is ecumenical & calls for all those who love Christ all across the earth to form, in his steps, a large community of friendship whereby we can help heal the wounds of humanity through our sharing in prayer, Scripture, chant, & meditation around the cross.

This one hour service is open to everyone. Newman members are invited to join members of other denominations in praying for Christian unity and harmony. A wonderful opportunity also to ask your Protestant and/or Orthodox friends to come. A heavy pupu reception follows the service for fellowship.

Free parking at St. Francis School behind Newman. We are in need of people to be greeters & ushers & to help set up & clean up for this service. If you can help out, please contact Chris Malano or Jon James at 944-6983 or [jjames@chaminade.edu](mailto:jjames@chaminade.edu).

The Taize service is inspired by the ecumenical Taize monks in France. For more information on Taize, see [www.taize.fr](http://www.taize.fr).

## New Food Pantry

Over the years, the Newman Community has faithfully donated food for the needy. We have become aware that there is a need for food among our students.

Following a study from Temple University and the Wisconsin HOPE lab that found that nearly 40% of college students do not get enough to eat, UH Manoa has decided to open a Food Pantry for UH students who cannot afford to eat. Food insecurity is something many students struggle with on a daily basis. A study by UH professor, Joanie Dobbs, PhD, showed that a significant number of the student population needs a food pantry.

With this in mind, the Newman Center has decided to send the monthly collection of non-perishable foods to the UH Food Pantry. The request list remains the same: canned meat, fruits, juice and soup, crackers. This action of solidarity is another form of outreach and goes hand-in-hand with our mission of campus ministry.

Baskets will be out the weekend of January 5-6. Thank you for your continued support of those in need.

## What is the Newman Center?

The Newman Center has a **two-fold mission**: outreach to the community at-large as a parish and campus ministry outreach to the staff, faculty, and students of the University of Hawai'i—Mānoa.

We are a **dynamic community** with a variety of activities to deepen our spirituality such as retreats, interactions with ecumenical and interfaith communities, conversations on current events, social action engagement, and inter-generational social events.

Check out our slide-show Year Book of this year's major liturgies, events, outreach, and other accomplishments:
