

35th Anniversary Celebration

Dedication of the Altar and Newman Center

October 2017

Each month during this anniversary year, we would love to hear from you! We all have memories of the Newman Center and the community that brings it to life. Please take some time to share with us your story. Take a few sheets and invite others who might be away this weekend or are at another parish but have ties to Newman to journey with us as we take a walk down memory lane.
