

Our Mission

We are the Catholic Center and Campus Ministry at the University of Hawaii, and under the Catholic Diocese of Honolulu, serving parishioners, staff, faculty, and students alike that stimulates critical thinking and dialogue about issues that challenge Christian living and commits to a living faith that practices and promotes justice.

We are a spirit-filled and welcoming community that proclaims and celebrates the Good News through liturgy, the sacraments, faith sharing, outreach, and social action. As the Roman Catholic Community of the University of Hawaii, we offer opportunities for life-long faith development to all who choose to join us. We invite the contribution of gifts in stewardship and evangelism, and challenge one another in the same manner that Jesus challenges us: to love the Lord, your God, with all your heart, with all your soul, and with all your mind and to love your neighbor as yourself. Come journey with us!

Stewardship Prayer

Generous and Loving Creator, you have called us to Malama i ka Makana (Cherish the Gift).

As disciples of your Son, we ask that your Spirit open our minds and hearts to more deeply appreciate your countless blessings. Increase your transforming spirit within us, so as to nurture our call to stewardship as a way of life marked always by faith-filled prayer, service to others and generous giving. With the kokua of St. Marianne and St. Damien, teach us to be good stewards so we may return a hundred-fold the makana entrusted to us.

We pray this through Jesus Christ our Lord. Amen

Love is patient, love is kind. It is not jealous, [love] is not pompous, it is not inflated, it is not rude, it does not seek its own interests, it is not quick-tempered, it does not brood over injury, it does not rejoice over wrongdoing but rejoices with the truth. It bears all things, believes all things, hopes all things, endures all things. Love never fails. If there are prophecies, they will be brought to nothing; if tongues, they will cease; if knowledge, it will be brought to nothing.

From the desk of the Pastor

We are called to love God because God loves us. God loves us unconditionally and has given us all the truly important things that we possess: life, forgiveness, redemption, and the promise of eternal life.

We are called to love others because we are all God's children. So loving others is simply loving God's children. As we would expect people who love us to treat our children with love, so too would God expect us to treat God's other children with love.

Moreover, as God has shown us that to love others is to give of oneself to others,

What does this all mean.? First of all, love involves respect for one another. It also means to think before you talk and act, instead of just jumping the gun.

Love is about listening and helping. Love requires looking forward, instead of always looking back. For in order to be true disciples of Jesus and bring more people to the Church, we need to peer ahead, come up with new ideas and dream big. Dreading on what was, will get us nowhere fast.

Remember Lot's wife who couldn't help herself from looking back, and look what happened to her.

God Bless,

Fr. Kurt Meyer

All Soul's Day

On November 2, 2026, the Church observes the Commemoration of All the Faithful Departed—All Souls Day. After rejoicing with the saints in heaven on November 1, Catholics turn with love to those who have died in Christ and may still be purified before the vision of God.

Envelopes are available for All Soul's Day and located on the credenza. Please write your loved one's name on the envelop as they will be placed on the Altar and we will pray for your loved ones throughout the month of November.

Palliative Care: Compassionate Care, Human Dignity, and Quality of Life

Palliative Care is an interdisciplinary approach designed to prevent and relieve physical, emotional, social, and spiritual suffering, with the goal of improving the quality of life for patients, their families, and caregivers. The Palliative Care Team works collaboratively with the patient's Medical Team to provide compassionate, holistic care.

While the Medical Team focuses on diagnosing and treating the patient's illness, the Palliative Care Team specializes in managing symptoms such as pain, nausea, fatigue, and other discomforts associated with the illness or its treatments. The team also addresses the patient's emotional, social, and spiritual needs by listening to their concerns, understanding their wishes, respecting their values, and helping them make informed decisions about their care. Equally important, the team provides guidance and support to families and caregivers as they navigate the challenges of a loved one's illness.

Patients and families interested in receiving palliative care can speak with their primary care physician or treating specialist about obtaining a referral. Referral requirements may vary depending on the healthcare provider or program.
